The Fire Department is responsible for fire emergencies and fire safety. The Fire Department is entirely volunteer, consisting of 35 fire fighters that respond to a fire an emergency any hour of the day or night. This department also consists of medical technicians and paramedics who have advanced first aid or crash injury management certifications. Because of the volunteer status of this department, they have no regular business hours. For emergencies, call 911. For business calls, dial 544-2860 and leave a message on the answering machine. The Fire Chief, Assistant Fire Chief, Fire Captains and fire fighters are housed here. The Fire Station is located at 175 South Main. Phone (801) 544-2860.

## SMOKE DETECTORS

The primary goal of the Kaysville City Fire Department is to save lives. We are convinced that smoke detectors are the single most important appliance in the home. Having at least one properly placed, regularly tested and maintained, smoke detector on each level of the home cuts the chance of dying in half if you have a fire in your home.

Smoke detectors are reliable for ten years and then they should be replaced. The Kaysville Fire Department will test, change batteries, and install your smoke detector free of charge. Call 544-2860 to schedule a test.

## SMALL FIRES

If you experience a small fire in your home, call the Fire Department and have them respond, even if the fire has already been distinguished. Insurance companies may not pay for damage caused by a fire if a report has not been filed with the Fire Department.

## HOUSE NUMBERS

Painting your house number on your curb is a good idea, however, an even better idea is to make sure that your house number is clearly visible on the front of your home.

During the winter months, when snow covers the roadways, it is difficult to see a number painted on the curb. A number on the front of the house where it is easily seen could provide a quicker emergency response time.

This office is located at 58 East 100 North. Phone (801) 546-1131 (office) or 911 for emergencies. ## SOLICITORS

Door-to-door solicitation is allowed within the City limits if the solicitor has a photo identification badge issued to him/her from the City.

Never allow a stranger to enter your home. If someone approaches your door and informs you that they are with a certain company (gas, water, telephone, cable TV, etc.) request to see their company picture identification card. Teach your children these safety tips.

## STREET PARKING

Kaysville City does not allow the parking of trailers, RV's or boats on city streets. Extended parking of these types of vehicles creates many hazards and is unsightly. Please be a courteous neighbor and a responsible citizen and park these on your own property. Trailers, RV's and boats parked on city streets will either be impounded or given a citation.

## OVERNIGHT PARKING RESTRICTIONS

Overnight parking of vehicles is not allowed from November 1 to March 1 between 12:00-6:00 a.m. Any vehicle parked on the streets during that time will be issued a citation regardless of whether or not it snows.

## HOUSE NUMBERS

House numbers are extremely beneficial in shortening response time for emergency services.

vehicles. A well placed, highly visible, identifying house number can shorten the time required to find the proper residence in case of an emergency. Numbers placed on curbs are often obliterated by snow in the winter. Therefore, in order to properly protect yourself and your property, place your house number where it can easily be seen.

Kaysville is located in northern Utah, halfway between Salt Lake City and Ogden. Lake City is located 25 miles south of Kaysville. The Salt Lake area ski resorts (Snowbird, Alta, Brighton, Solitude, Park City) are located approximately 45 miles from Kaysville. Ogden City is approximately 15 miles north of Kaysville. The Ogden ski resorts (Snow Basin, Powder Mountain, Nordic Valley) are located approximately 30 miles from Kaysville.

Kaysville is a quiet, bedroom-type community, offering peace and tranquility with a rural atmosphere. The city is surrounded by a beautiful setting of the Rocky Mountains to the east and the Great Salt Lake to the west. Primarily residential, many beautiful homes (with generally spacious and well maintained yards) can be found here. The city offers an attractive blend of rural farm land and subdivision lifestyles. Within 15 minutes you can either be boating, sailing or swimming on the Great Salt Lake or driving, hiking, fishing or camping in the mountains. A scenic view of the valley is visible by simply driving up the many beautiful canyons.

Kaysville's Main Street renovation program, completed in the 1980's, combines an architectural, historic charm with renewed economic vitality. While one of Utah's fastest growing cities, Kaysville retains the comfortable quality of life so vital to its residents and so welcome to new residents. The Kaysville Business Park has been developed by the city to accommodate businesses that prefer a high quality environment. This 175 acre park has excellent access to Interstate 15. Barnes Park is at the entrance and enhances the park and the north fork of Holmes Creek contributes the ambiance. Businesses meeting the performance standards are welcome to locate here.

An art gallery, library, recreation center, senior citizen center (offering meals, a health clinic, lapidary, ceramics, wood carving, billiards, a wood shop, excursions, sewing dance floor), volleyball, tennis courts, movie theater, gymnastics, dance studios and much more are offered in Kaysville. Golf courses, bowling lanes, roller skating rink and swimming pools are located in surrounding communities within a close proximity to Kaysville..

The most essential ingredient of Kaysville is its people. We're a friendly people with high ideals...and we're a hard working people eager to grow with the future, while respecting our past.
